

Mayberry Homes, Inc.
July 2, 2005
Page 1

We are very satisfied with the very personal manner of service that Mayberry Homes has provided to our family. It is a nice house that meets our needs and has everything functioning correctly. We enjoy the sturdy structure and planning of the house and are in the opinion that this house is a solid investment for us and that we would have many years of good stay in this new house of ours.
